PRESBYTERIAN.

ing subject at the Presbyterian
church. At 7:30 p. m. he will
speak on "Happy Meetings."

father in Okaloosa, Iowa. After
that, if his father is better, he
will take his family to the World's
Fair.

St. Joseph's Picnic.

To mention the St. Joseph picnic
is to recall days of true mirth and
happiness, to meet again the
friends of youth whom years have
separated, and to pledge loyalty
and love to old Perry County, one
of whose greatest glories is that it
was the home of dear, old St. Jo-
seph. Hence, it is a pleasure to
announce a St. Joseph picnic which
will be held this year on Tuesday,
August 2d. Those who have had
the good fortune to attend one of
these picnics need no encourage-
ment to attend. To those of our
readers who are unacquainted with
the features that have made St.
Joseph's picnic so famous we can
promise a day of happiness. Booths
laden with the most gorgeous de-
corations, costly articles on exhibi-
tion, refreshments, dancing and
many other attractions charm the
visitor. One of its best recom-
mendations is the continued absence
of anything savoring of roughness.
Go and you will be happy.

Clerks vs Cigar Makers.

A very interesting game of ball
was played on last Thursday after-
noon between the Clerks and Cigar
Makers, resulting in a score of 11
to 10 in favor of the Clerks.

Batteries—Clerks, Oaks, Blosser
and Deishley; Cigar Makers, Belt
and Wycuff.

The catching and batting of
Whitcraft was simply out of sight
and he received many and hearty
applauds. Sam Brooke broke all
records in base running and Shive-
ly did excellent work throughout.

The Clerks had a cinch from
start to finish and simply played
with the Cigar Makers. They
paid little attention to batting.
They got to the first on balls and
stole their way home.

The umpiring was terrible and
their rottenness necessitated the
calling together of the Board of
Health whose resolutions appear
elsewhere in this issue.

Heroes of Two Wars.

On last Wednesday Capt. Ryan,
at his popular restaurant, gave a
dinner to the only soldiers of the
county who have been in two wars,
Donald Orr and Alexander Mc-
Donald, survivors of the Mexican
war and also gallant soldiers in
the civil war.

The Captain made one of the
company, he being the only sol-
dier of the civil war and a soldier
in the Spanish war.

The dinner was elegant and
bountiful, and while the veterans
feasted they talked of hard task
and strenuous times on the field.

"They fought their battles over again,
Three times they conquered all their foes,
And thrice they slew the slain."

The Captain proposes at an early
date to give another dinner to the
surviving soldiers of the county.
